I'm excited to share with you a beautiful new beachfront listing at 11 Kamani Kai in Beachside Kailua.

Step inside the grand entrance with a sweeping Koa wood staircase, lava rock fountain and panoramic views of Kailua Bay. This estate features three bedrooms and four bathrooms with three additional private guest suites. Each guest suite includes a full bathroom and kitchenette as well as a private outdoor space.

The expansive entertaining space offers its own kitchen and multiple options for indoor and outdoor dining. With views of the turquoise blue waters, Mokolua islands and Mokapu crater; you will fall in love with this stunning retreat. The home has a large, covered lanai leading to a well manicured yard that transitions to the white sand beach.

The second level has massive vaulted ceilings and hosts the main quarters for the owners living space. Large primary suite and additional flex room as well as a built in kōa bar, and protected lanai bring a feeling of pure serenity.

Large 4-car garage
